

Govt. Degree College Kupwara, JK UT

Department of Environmental Sciences in collaboration with NSS units of the college organizes Slogan and Painting competition at inter-college level across UT of JK to celebrate international wetlands day on 2 feb.2022. *Wetlands Action for People and Nature is the theme of the year 2022.* A call to take action for wetlands is the focus of this years' campaign. According to WWF-India, wetlands are the most threatened of all the ecosystems in our country. We must know “WET LANDS FEED US LIKE WE FEED OUR CHILDREN” so it is our sole responsibility to protect and conserve them from anthropogenic pressure. This is also important as we mark the UN Decades of Ocean Science and Ecosystem Restoration (2021-2030).

Guidelines for submission:

- Participants must send their original ideas appropriate to the theme in pdf format to official college mail ID kcollege786@gmail.com till February 02.
- Participants should write their name, email id and name of the institution on the first page of the file
- First three winners for each activity shall be awarded certificates of merit.

✓ Organizers

Prof.(Dr) Mohd Farooq Rather (Principal) : PATRON

Dr.Shazia Lone (HOD EVS) : Organizing secretary (NSS PO)

Dr. Mehraj Bashir : Co-Organizing secretary (NSS PO)

Dr Rayaz A Mir : Member NSS

Prof.A.H. Shah : Member NSS

Dr.Showket Malik : Member NSS
